

Entering the Sciencenter

.....

A story for _____

by Racker 

.....

This story meets Social Story 10.2 criteria

I am going to the Sciencenter.

The Sciencenter is a hands-on science museum.

After we enter the door at the Sciencenter, we will check in at the front desk. There may be a line of people waiting their turn to speak with staff.

When it is our turn, we will talk to staff.
Some people pay to visit the Sciencenter,
and some people show their Sciencenter
membership card.

I may be given a Sciencenter sticker to put on my clothing, or I can ask my adult to hold it.

I am learning what will happen when we enter the Sciencenter.

I am going to the Sciencenter, a hands-on museum that can be a lot of fun!

For more information about Sensory Hours at the Sciencenter,
please visit www.sciencenter.org or call (607) 272-0600.
