

TreeHouses

Look who's living in the trees!

Hang out... in the trees!

Immerse yourself in an indoor tree house! Try stereoscopic viewfinders and look for tracking clues and natural artifacts in the tree house. Turn a tree into a tree house—and back again—by turning a dial. Learn how to become a responsible forester and find out how trees sustain life on Earth!

SIZE

1,500-2,000 sf

SHIPPING

Inbound only | 1 truck
Accompanied by technical manual, educational materials, and marketing kit

LEARNING GOALS

- ◆ Trees provide habitats for many different animals
- ◆ Trees are used to make many products in our lives
- ◆ We can be environmental stewards by planting trees
- ◆ Animals leave identifiable traces behind

Treehouses was developed by the Environmental Exhibit Collaborative (EEC) and funded by Jane's Trust and the Institute of Museum and Library Services (IMLS)
