

# Turtle Travels

# A turtle's-eye view of life in the “slow lane”!

Help turtles and tortoises survive and migrate safely! Play Turtle Migration on a giant game board and track a hidden turtle using telemetry. Visitors will learn how a turtle's body is adapted for their environment and so much more!

## SIZE

1,200-1,800 sf

## SHIPPING

Inbound only | 1 truck

Accompanied by technical manual, educational materials, and marketing kit

*Turtle Travels was developed by the Environmental Exhibit Collaborative (EEC) and funded by Jane's Trust and the Institute of Museum and Library Services (IMLS)*

## LEARNING GOALS

- Turtles and tortoises live in various habitats threatened by human activity
- We can keep turtles and their eggs safe from predators by disposing of garbage properly
- Turtles and tortoises have physical adaptations to help them survive
